# Softcare Small device wash

The environmentally friendly small device wash is intended for the removal of difficult oil and grease dirt and other stubborn dirt. Removes dirt from the engines of cars and machinery, as well as other oily objects. The product efficiently removes dirt and does not contain any ingredients which burden the environment. Biodegradable and plant-based.

**Instructions:** Test the detergent in an invisible spot first. Spray the detergent onto the surface and allow it to react for a few minutes, depending on how dirty the surface is. Rinse with a brush or cloth and water.

**Contents:** Plant-based soap < 5 %, Nonionic surfactants < 5 %, Sodium carbonate < 5 %.

**Safety data sheets:** download PDF (in Finnish)
