

## Cleaning Sponge

Softcare Cleaning sponge is an efficient tool for cleaning and removing dust and hair!

The new material efficiently sucks in the moisture and dirt. Good for cleaning hard surfaces and mirrors. The sponge can be wrung out, leaves no lint or streaks and even cleans without detergents like a micro-fibre cloth. The sponge effectively collects animal hair from sofas and other textiles plus efficiently collects dust. Works well in car surfaces too. The sponge is very durable and thus ecological. Can be washed in the washing machine in 60 degrees. Keep dry and moisten before use. When dry, it is antibacterial and does not smell like ordinary sponges. The sponge will last for several years.
