

Desisoft hand sanitiser

BATTERY OPERATED HAND SANITIZER DISPENSER

An automatic battery-operated dispenser that dispenses without touching just the right amount of sanitiser. Available with a wall-mounted dispenser or stand-alone stand.

Suitable for offices, shops, restaurants, shopping malls, amusement parks, swimming pools and other spaces where a lot of people move.

Features:

- Detects hands automatically
- The tank can be refilled
- Approximately 500 servings are sufficient from a 1-litre container
- Powered by batteries.
- Always the right amount of product without touching
- An easy locking mechanism prevents misuse
