

Power Wash 500 ml

water-based cleaner for hard surfaces

Softcare Power Wash is a cleaner designed to dissolve fat and dirt from hard surfaces in the house. The product has been designed using a new Softcare technology, and it is efficient and environmentally friendly to use. It is suitable for kitchens and other hard surfaces in the house. The new Softcare technology is based on a unique invention that dissolves fat and other dirt without using solvents. The new consistency provides this effect. The cleaner is water-based and does not harm surfaces.

Usage: Spray directly on the surface or the cleaning appliance and wipe the surface clean. If the stains persist, let the cleaner work a few minutes before wiping off the stain. Shake well.

The product is packaged in recyclable plastic. The package can be recycled or burnt.
