

Softcare Aintwood protector 300 ml

Has been developed to protect Aintwood outdoor furniture against oils, grease, food and pollen stains. Softcare Protector is easy to use and effective for 1 – 2 years; if protected from rain, even longer. Also resists hot food stains. Makes outdoor furniture look good longer and easy to care.

Directions for use: spray the protector on the surface and spread with clean cloth if necessary. Let dry. Protection will be effective within 24 hours in normal temperature.

Volume: 300ml

EAN: 6416977713470
