

## Softcare Animal Room Powerwash 500 ml

Ready to use detergent

Softcare Animal Room Powerwash is specially developed to clean organic dirt. It is easy to use and easily washable with water. All Softcare Cleaners are environmentally safe and biodegradable.

Spray or spread on the surface and rinse with clean water to remove the dirt and left over detergent. On textiles, test first on invisible area to prevent the colours from blending or use Softcare Textile Cleaner if needed.

Packed in recyclable plastic spray bottle, 500 ml
