

Softcare Laundry Detergent 3L

Softcare Laundry Detergent is a general laundry detergent for all kinds of laundry. Does not contain zeolite, lye, phosphates, LAS tensides, enzymes or bleach. Works well in 30, 40, 60 ja 90 °C temperatures and also in hand wash. Lightly perfumed. Also available as unperfumed version.

Softcare Laundry detergent leaves the textiles soft and therefore you don't need to use separate softeners. The odour will evaporate in 20 minutes. Also available Softcare Laundry Detergent without any added scents. Both products are packaged in 750 ml bottle for approx. 30 washes. Also available in 3 L containers.
