

Softcare Leather Care Kit

The care kit for leather contains everything you need to take care of leather-upholstered furniture. The Softcare Leather Protector is enough to protect the surface of a five-seated leather furniture. Softcare Leather Protector is a special cleaner designed for cleaning leather-upholstered furniture. With this cleaner you can clean dirty furniture or remove stains from leather surfaces without surface becoming dry. Also suitable for plastic, wood, and faux leather. Softcare Leather Balsam keeps the leather furniture soft and pretty long. NOTE! Faux leather should not be waxed or protected! Plastic surfaces may become grey due to alcohol-based protector. Package includes terry cloth and written instructions for leather care. Familiarize yourself with the product instructions in the product-specific description.
