

Softcare Paint remover 500 ml

solvent-free paint remover

Softcare Paint remover is a new, solvent-free remover for paints. The product has been designed using a new Softcare technology, and it is efficient and environmentally friendly to use. The new Softcare technology is based on a unique invention that dissolves fat and other dirt without using solvents. The new consistency provides this effect. The cleaner is water-based and does not harm surfaces.

Usage: Apply the remover onto the paint and let work 15 minutes or longer until the paint peels off. Remove or rinse off the softened paint with water. Treatment can be repeated as necessary on thicker paint layers. Shake well.

The product is packaged in recyclable plastic. The package can be recycled or burnt.

EAN: 6416977715047
