

Softcare Shoe Deodorizer 300 ml

A new type of deodorizer that not only masks but also breaks down the source of the odour. Effective and long-lasting against all unpleasant, organic odours. Suitable for all types of shoes, boots, sports equipment, bags, etc.

Directions: Spray on the source of the odour and leave to work for a while. Keep out of reach of children.

Contains: 2-methylisothiazol-3(2H)-one. May cause an allergic reaction.

Volume: 120 ml

EAN: 6416977713326
