

Softcare Urethane Remover 300 ml

New and improved urethane remover for painted wood and metal surfaces. Removes both old and new urethane residue.

Directions: Spray on the surface and let it work for 10 to 30 minutes. Use a soft cloth or a sponge to remove the urethane; do not rub hard. Wipe towards the centre of the urethane from both directions. Test the product in an invisible spot, as it may damage the paint surface. Cleaning agent for removing polyurethane foam residue.

Volume: 300ml

EAN: 6416977715993
