

Softcare Urethane Remover 500 ml

Softcare Urethane Remover is a new, efficient remover for urethane stains. The product has been designed using a new Softcare technology, and it is safe, efficient and environmentally friendly to use. The new Softcare technology is based on a unique invention that dissolves fat and other dirt without using solvents. The new consistency provides this effect. The cleaner is water-based and does not harm surfaces.

Usage: Remove the extra pieces manually. Apply cleaner on the urethane and wait until easy to remove. Wipe/scrape off or clean the urethane with a moist cloth or another tool. Shake well.

The product is packaged in recyclable plastic. The package can be recycled or burnt.

EAN: 6416977715078
