

Softcare Water based Furniture Protector 500 ml

Softcare® Water based Furniture Protector

for upholstery, protects furniture, interior decoration textiles and car and boat textiles efficiently against soiling and wetting. It is water based and environmentally friendly. It does not change the breathability or other properties of the fabric. – SHAKE BEFORE USE!

Directions for use: Spray on a textile surface until evenly moist and allow to dry completely before use. The final strength of protection is reached within 24 hours, after which water and oil based dirt is repelled. When protected textile surface becomes dirty, clean with Softcare cleaner. Stains are easiest to remove before they set. Shake well before use, store above 5 °C.
